Best Restaurants

On May 24th, *San Diego Magazine* hosted a Best Restaurants Kick-Off Party at the striking Fixtures Living showroom to celebrate this year's Best Restaurant winners. After we tallied the votes from our readers, received our critic picks, and our editor weighed in, it was time to celebrate the great restaurants, San Diego foodies love.

The event was held at the Fixtures Living 22,000-square-foot flagship showroom, located in the Miramar design district of San Diego. Fixtures Living helps their clients focus not on what you want to buy, but how you want to live.
